Credit Qualifying Streamline

Credit Qualifying Streamline transactions must meet the following requirements:

For all mortgages on all properties with less than six (6) months of Mortgage Payment history, the Borrower must have made all payments within the month due.

For all mortgages on all properties with greater than six (6) months history, the Borrower must have made all Mortgage Payments within the month due for the six (6) months prior to case number assignment and have no more than one 30-Day late payment for the previous six (6) months for all mortgages.

The Borrower must have made the payments for all Mortgages for the month prior to mortgage Disbursement.

A borrower who is still in mortgage forbearance at the time of case number assignment, or has made less than three consecutive monthly mortgage payments within the month due since completing the forbearance plan, is eligible for a credit qualifying streamline refinance provided the borrower:

- Made all mortgage payments within the month due for six months prior to forbearance; and
- Had no more than one 30-day late payment for the previous six month (6-12 months prior to forbearance)

Required Documentation: If the Mortgage on the subject Property is not reported in the Borrower's credit report, EPM must obtain a verification of Mortgage to evidence payment history for the previous 12 months.

Credit qualifying streamlines must meet all standard FHA credit requirements per EPM guidelines.

- Borrower's income must be verified.
- Borrower's credit report must be obtained, and all debts verified.
- It is acceptable for a borrower to have only 1 credit score or no credit score.
- Debt-to-income ratios must be computed.
- Requires a statement showing the previous month's ending balance for the most recent month and at least 1 month PITIA reserves (1-2 Units) or 3 months PITIA reserves (3-4 Units). If the previous month's balance is not shown, EPM must obtain statement(s) for the most recent two months.
- Must ensure that a repayment plan is in place if there is an IRS tax lien on credit or title. Must include the payment in the debt-to-income ratio.

Credit qualifying streamline refinance must be considered when:

- 1) A deletion of a borrower not due to divorce, legal separation, or death.
- 2) An original borrower is being removed due to divorce, legal separation or death, but the remaining borrower has not made at least 6 payments after the event and prior to FHA Case Number Assignment date.

Payment History for debts other than the subject property mortgage:
